Can you guess where the most popular place in camp is? Do you know what has just become more popular? The lake has always been the best place in camp for many, and thanks to the efforts of Golden Slipper member Bernie Segal we will have new exciting water activities this summer. Aunt Stef Marshall, the Lake Coordinator, is excited to have everyone join her on the water trampoline, log aqua launcher, and slide. No need to worry parents as safety is always first and foremost. But we can still have fun at the lake and throughout camp.

As the summer gets close, our camp staff is getting fine-tuned. We are fortunate enough to have many returning staff mixed in with an array of new counselors whose sole purpose is to give you the best summer ever. Aunt Kelly will be leading the pool so you will become better swimmers. Aunt Charlotte and her campers will help us receive the fine food that Uncle Tracy and his staff have prepared. Aunt Sarah is excited to see who our camp musicians are and we look forward to her singing. Uncle Brandon has a new CIT – in – training -, welcome to Slipper baby Noah!

If you have not had the opportunity to view or “like us” on Facebook please take the time to do so.

I am looking forward to seeing everyone soon. The countdown has begun!!

Uncle Tom, Golden Slipper Camp Director
